The last two years have been challenging but with your help, we persevered! Inch by inch, piece by piece, one step at a time we granted wishes for playsets, room renovations, backyard makeovers, hot tubs and more. Now it's time to celebrate the *Wish Heroes* among us — *that's you!* — who made this possible. **Join us as we gather together to celebrate the community of people it takes to grant wishes and build hope for the wish kids who are waiting!**

Please contact **Dawn Draves**
